MOTION FOR STATUS CONFERENCE

Defendant requests a status conference be set for purposes of setting new motion cut off and trial dates, and show the Court:

1. On May 8, 1998, an Order was issued setting trial on the merits for the November docket, and fixing the discovery cut off on September 15, 1998, among other settings.
2. Subsequently, on July 2, 1998, the Court granted Defendant's Motion to Compel ordering Plaintiffs to respond to Defendants first interrogatories and request for production by August 30, 1998. And extending discovery to November 28, 1998.
3. It is apparent that the subsequent granting of Defendant's Motion To Compel and extending discovery is not compatible with the earlier settings.

WHEREFORE, Defendant prays this Court set a status conference for the purpose of discussing the status of this case and setting new pretrial, trial and motion dates.

Respectfully,

For Cameron County
